Selbststabilisierende Replikation in verteilten Systemen

Handout zum Vortrag von Felix Gärtner am 16. Januar 1998

1 Begriffe

Fehlertoleranz [5], Fehlermodelle [9], schwach-konsistente Replikation [8].

2 Methodologie der Selbststabilisierung

Selbststabilisierung [6, 10], Verhältnis zu Fehlertoleranz [1], Ansätze zur Methodologie [2–4].

3 Selbststabilisierende Replikationsverfahren

Resultierende Algorithmen [7].
